

Free Piano Sheet Music (mostly classical)

For Piano Players who love classical music there is a website that offers thousands of pages of free sheet music to download and print for your own use.

IMSLP / Petrucci Music Library

To print music from the Free Download site:

1. Go to the site: http://imslp.org/wiki/Main_Page
2. In the Browse Scores box (left side of page) click on Composer Name.
3. Under the Alphabet, click on letter of last name (Example, S for Scarlatti)
4. Choose composer name from the list displayed (Example, Scarlatti, Domenico)
5. Scroll through list of pieces and choose by title or opus number (Example: Looking for Scarlatti Sonata L312 – choose Keyboard Sonatas, Longo Catalogue 301-400)
6. Choose one of the Scans – usually there are several listed – try the first one (Example: Complete Score of Sonatas L.301-315)
7. When PDF Score appears, scroll to the appropriate page. Look at the page number in the bar just above the displayed page. Keep scrolling to find end of the piece and note page number. (Example: L.312 starts on page 48 and goes to page 50)
8. Use the File menu and choose Print to bring up the print dialogue box. (or shortcut Ctrl-P)
9. On the left side of the box in the “Print Range” section, choose Pages and enter in the page numbers you want to print (Ex: 48-50)
10. Further down on the left in the Print Dialogue box under Page Scaling: choose Fit to Printable Area and then you will get the largest print-out possible. Click okay
